

PERIMETER DELINEATION

High Visibility Delineation Fence
Barrier Fence / Tree Save

DELINEATION FENCE-BARRIER FENCE

Structural Integrity – Durability

- Woven high density polyethylene (HDPE) creating a more sustainable ultraviolet (UV) coloration and durable fabric
- Superior structural integrity due to unique method of attachment (sandwiching fabric between the post and a bonding strip)
- Available in **Orange** (Caution, warning, or danger)
- Available in **Green** (Water bodies and environmentally sensitive areas)

AVAILABLE IN PRE-STAKED 100 LINEAR FT ROLLS ON 8 FT CENTERS
